Subject: Freedom of Information Act Request No. # 844598 (Part 1 of 2)
Date: November 30, 2018 at 12:54 PM
To: foia@americanoversight.org

Dear Mr. Evers,

This letter responds to your Freedom of Information Act (FOIA) request of November 1, 2017, in which you requested a copy of all calendar items for the Secretary from January 20, 2017 until the time this request is started. Your request was received in our office on November 6, 2017, and assigned FOIA tracking number 844598.
A search for responsive records of the Office of the Secretary (OSEC) was conducted based on your request. Results from the search presented 5,301 documents with 5,622 pages which needed to be reviewed and redacted for disclosure purposes. Due to the size of the results, our intention is to provide a batch of documents to you each month based on the documents reviewed in the previous month until all responsive and non-exempt documents have been released. OSEC reviewed 483 documents in the previous month of October. Based on that review, please see attached pdf documents which contains:

- 483 pages which have been redacted in part under to 5 U.S.C. § 522(b)(6) which permits the withholding of personnel, medical and similar files when disclosure of such information would constitute a clearly unwarranted invasion of personal privacy.

If you have questions about this response, you may contact the Office of the Secretary (OSEC) FOIA point of contact at OSEC-FOIA@dol.gov or the DOL FOIA Public Liaison, Thomas Hicks, at 202-693-5427 or by email at hicks.thomas@dol.gov.

Maurice Fluelling,

Dear Ms. Gardner,

Last week I was introduced to Secretary Acosta by Mark Rosenberg, the president of FUI, at the reception FIU held for the secretary. Secretary Acosta asked me to follow-up with you to schedule a meeting for us to discuss potential work related to the issue of better connecting higher education and the workforce. Please let me know what days and times might work best for the secretary. I would also like to include 2 or 3 colleagues from the National Academies who also work on these issues. I can help to coordinate their schedules.

Best, -Heidi

All,
All Cabinet are cordially invited to attend the White House July 4th celebration.
The Military Appreciation Picnic will be from 4pm-6pm. We encourage Cabinet to attend during this time and all are certainly welcome to stay for the White House staff event beginning at 6pm.
Only ice cream and beverages will be served at the 6pm portion and we encourage all staying for the 9pm fireworks display to bring a blanket for comfortable South Lawn viewing.
Please RSVP by Thursday evening and include the vitals of family attending with you.
Similar to the Congressional Picnic, Cabinet Affairs staff and interns will greet Cabinet at the irongate and escort attendees to the South lawn.
Please RSVP with your arrival time as well as family vitals.

Thank you,
Ashley Gunn

Subject: RE: Meeting with Secretary Acosta

Hi Janelle,

I made some revisions to this e-mail after I sent it to you. Here is the final request:

Thanks for talking with me earlier today. As mentioned, Elba Aranda-Suh, Executive Director of the National Latino Education Institute, will be in Washington, DC next week. She is kindly requesting a meeting with Secretary Acosta, on Thursday, June 29 as the Secretary's schedule permits. If the Secretary is unavailable at any time on Thursday, please let us know if the Secretary would be available on Wed. morning or late afternoon.

Ms. Aranda-Suh would like to discuss some significant topics with Secretary Acosta including apprenticeships, particularly as they pertain to Latinos, and NLEI's new groundbreaking initiative that supports exactly what the new executive order is calling for at this time. Also, since Secretary Acosta was unable to serve as keynote speaker at NLEI's recent event, she would like to ask him about speaking at another event in Chicago, IL around the time of

AMERICAN OVERSIGHT

Labor Day.

Please let me know as soon as possible about Secretary Acosta's availability. Thanks so much for your consideration. Ms. Aranda-Suh's cell is **(b)(6)**

Subject: meeting at DOL to discuss RAISE Act

Hi all,

Secretary Acosta mentioned earlier this week that he'd like to set up a meeting to discuss the RAISE Act. I think he'd like the meeting (which would include his staff, as well as Alex from Sen. Cotton's office, Drew from Sen. Perdue's office, Stephen Miller, and John Zadrozny from WH Domestic Policy Council) to take place next week (or the week after depending on his travel schedule) at DOL.

If we could find a time that works for everyone, that'd be great.

Thanks so much!

Warmest Regards,
Julia

Subject: RE: Meeting with Secretary Acosta

Hi Janelle,

I made some revisions to this e-mail after I sent it to you. Here is the final request:

Thanks for talking with me earlier today. As mentioned, Elba Aranda-Suh, Executive Director of the National Latino Education Institute, will be in Washington, DC next week. She is kindly requesting a meeting with Secretary Acosta, on Thursday, June 29 as the Secretary's schedule permits. If the Secretary is unavailable at any time on Thursday, please let us know if the Secretary would be available on Wed. morning or late afternoon.

Ms. Aranda-Suh would like to discuss some significant topics with Secretary Acosta including apprenticeships, particularly as they pertain to Latinos, and NLEI's new groundbreaking initiative that supports exactly what the new executive order is calling for at this time. Also, since Secretary Acosta was unable to serve as keynote speaker at NLEI's recent event, she would like to ask him about speaking at another event in Chicago, IL around the time of

Labor Day.

Please let me know as soon as possible about Secretary Acosta's availability. Thanks so much for your consideration. Ms. Aranda-Suh's cell is **(b)(6)**

Subject: meeting at DOL to discuss RAISE Act

Hi all,

Secretary Acosta mentioned earlier this week that he'd like to set up a meeting to discuss the RAISE Act. I think he'd like the meeting (which would include his staff, as well as Alex from Sen. Cotton's office, Drew from Sen. Perdue's office, Stephen Miller, and John Zadrozny from WH Domestic Policy Council) to take place next week (or the week after depending on his travel schedule) at DOL.

If we could find a time that works for everyone, that'd be great.

Thanks so much!

Warmest Regards,

Re: Freedom of Information Act Request No. # 844598

Dear Mr. Evers,

This letter responds to your Freedom of Information Act (FOIA) request of November 1, 2017, in which you requested a copy of all calendar items for the Secretary from January 20, 2017 until the time this request is started. Your request was received in our office on November 6, 2017, and assigned FOIA tracking number 844598.

A search for responsive records of the Office of the Secretary (OSEC) was conducted based on your request. Results from the search presented 5,301 documents with 5,622 pages which needed to be reviewed and redacted for disclosure purposes. Due to the size of the results, our intention is to provide a batch of documents to you each month based on the documents reviewed in the previous month until all responsive and non-exempt documents have been released. OSEC reviewed 351 documents in the previous month of November. Based on that review, please see attached pdf documents which contains:

- 351 pages which have been redacted in part under to 5 U.S.C. § 522(b)(6) which permits the withholding of personnel, medical and similar files when disclosure of such information would constitute a clearly unwarranted invasion of personal privacy.

If you have questions about this response, you may contact the Office of the Secretary (OSEC) FOIA point of contact at OSEC-FOIA@dol.gov or the DOL FOIA Public Liaison, Thomas Hicks, at 202-693-5427 or by email at hicks.thomas@dol.gov.

Sincerely,

Thomas DeBusk

Please use 2358B entrance- this is the entrance to the staff area and where most MoC's enter/depart. NOTE- there is not a holding room.
This space is where staff sits and is/will be crowded. Approps. staff recommends that only 2-3 who are with the Secretary are in here.
This is the space where MoC's may want to greet the Secretary a few minutes prior to the hearing. House GOP has a conference at 9AM so Chairman Cole/some of the Members may be a few minutes late.
Upon Chairman Cole's arrival- the Secretary will be directed by Approps. Staff towards the pathway that leads directly to the witness table. Once seated at the table. Approps. Staff will show RAA how to turn on his microphone. Appropriations will provide a nameplate for RAA.
RAA has a hard-stop of 12:00pm.
Hearing room tends to get extremely warm and due to size, it is generally very crowded.

In addition to his Executive Board responsibilities, Boland serves as Co-Chair of the International Masonry Institute (IMI), the training and industry development arm of the organized masonry industry. Notes/Background: See below.
POC: Ava Dejoie, (b)(6)

Ava Dejoie is executive director of the Louisiana Workforce Commission. She was appointed by Gov. John Bel Edwards in January 2016.

As executive director, Dejoie is responsible for providing the strategic vision to enhance the growth of Louisiana's economy and its workforce, by putting people to work in fulfilling, family-sustaining careers. The commission monitors employment, administers unemployment compensation and tax funds, provides training resources for employers and job-seekers and oversees worker compensation benefits. The LWC also gathers and supplies information on the labor market and occupational sectors in Louisiana.

Dejoie has more than 15 years of leadership experience in public administration and is passionate about finding solutions that make Louisiana an outstanding place in which to live, work and grow a business.

Her focus on the public policy field took root when she served as an intern in the office of U.S. Sen. John Breaux, D-La.

Dejoie joined the LWC in 2012 and most recently was statewide coordinator of its Rapid Response Team. In this role, she directed resources to workers displaced by corporate layoffs, shut-downs and other job-reduction actions. She earlier served as director of LWC special projects in the New Orleans area, including supervising the Avondale Employee Transition Center.

Dejoie's extensive background in Louisiana workforce development includes experience as a business liaison for the Louisiana Department of Education. In addition, she served as a board member of the Louisiana Community and Technical College System from 1998-2007.

Dejoie also served as vice president of the Welfare to Work Partnership, a nonpartisan, nonprofit organization in New Orleans that provides innovative workforce solutions for companies through the hiring, retention and promotion of welfare recipients and other unemployed workers. Dejoie supervised creation of the partnership's law project, and

was recognized for the accomplishment by President George W. Bush in ceremonies at the White House. While with the partnership, she also helped secure funding for a process technology laboratory at L.B. Landry High School in New Orleans.

Dejoie is a native of New Orleans and graduate of Ursuline Academy. She holds a Bachelor of Arts degree in political science and government from Loyola University of New Orleans.

Bio:

Professor Klaus Schwab was born in Ravensburg, Germany in 1938. He is Founder and Executive Chairman of the World Economic Forum, the International Organization for Public-Private Cooperation.

He founded the Forum in 1971, the same year in which he published *Moderne Unternehmensführung im Maschinenbau* (*Modern Enterprise Management in Mechanical Engineering*). In that book, he argued that the management of a modern enterprise must serve not only shareholders but all stakeholders (*die Interessenten*), to achieve long-term growth and prosperity. Schwab has championed the multistakeholder concept since the Forum's inception, and it has become the world's foremost platform for public and private cooperation. Under his leadership, the Forum has been a driver for reconciliation efforts in different parts of the world, acting as a catalyst of numerous collaborations and international initiatives. (See the history page for more information).

In 1998, with his wife Hilde, he created the Schwab Foundation for Social Entrepreneurship, which seeks to identify, recognize and disseminate initiatives in social entrepreneurship that have significantly improved people's lives and have the potential to be replicated on a global scale. The Foundation supports a network of over 350 social entrepreneurs around the world.

In 2004, with the financial contribution received as part of the Dan David Prize, he established a new foundation: the Forum of Young Global Leaders (for leaders under 40). Seven years later, in 2011, he created the Global Shapers Community (for potential leaders between the ages of 20 and 30). The purpose of the two foundations is to integrate young people as a strong voice for the future into global decision-making processes and to encourage their engagement in concrete projects that address social problems.

Schwab has encouraged the establishment of communities providing global expertise and knowledge for problem-solving. Among them is the Network of Global Agenda Councils, comprising more than 1,500 of the most relevant experts related to global, regional and industry challenges.

AMERICAN OVERSIGHT

The Forum employs over 600 people, with its headquarters in Geneva, Switzerland, and additional offices in New York, Beijing and Tokyo.

An engineer and economist by training, Professor Klaus Schwab holds doctorates in Economics (*summa cum laude*) from the University of Fribourg, in Engineering from the Swiss Federal Institute of Technology, and a Masters of Public Administration from the Kennedy School of Government at Harvard University. In 1972 he became one of the youngest professors on the faculty of the University of Geneva. He has received numerous international and national honours.

Outside his work, he has a broad range of academic, cultural and public service interests. He is a regular swimmer, mountain walker and an enthusiastic participant in the Engadin Ski Marathon. Klaus and Hilde married in 1971. They have two children and two grandchildren.

Re: Freedom of Information Act Request No. # 844598

Dear Mr. Evers,

This letter responds to your Freedom of Information Act (FOIA) request of November 1, 2017, in which you requested a copy of all calendar items for the Secretary from January 20, 2017 until the time this request is started. Your request was received in our office on November 6, 2017, and assigned FOIA tracking number 844598.

A search for responsive records of the Office of the Secretary (OSEC) was conducted based on your request. Results from the search presented 5,301 documents with 5,622 pages which needed to be reviewed and redacted for disclosure purposes. Due to the size of the results, our intention is to provide a batch of documents to you each month based on the documents reviewed in the previous month until all responsive and non-exempt documents have been released. OSEC reviewed 361 documents in the previous month of December. Based on that review, please see attached pdf documents which contains:

- 361 pages which have been redacted in part under to 5 U.S.C. § 522(b)(6) which permits the withholding of personnel, medical and similar files when disclosure of such information would constitute a clearly unwarranted invasion of personal privacy.

If you have questions about this response, you may contact the Office of the Secretary (OSEC) FOIA point of contact at OSEC-FOIA@dol.gov or the DOL FOIA Public Liaison, Thomas Hicks, at 202-693-5427 or by email at hicks.thomas@dol.gov.

Sincerely,

Thomas DeBusk
Administrative Officer

SIGNING OF EXECUTIVE ORDER TO PROMOTE HEALTHCARE CHOICE AND COMPETITION

Thursday, October 12, 2017
11:15 a.m. – 11:45 a.m.
Roosevelt Room
Andrew Bremberg

1. **PURPOSE**

To sign an Executive Order and give brief remarks about providing Americans relief from Obamacare. Congress has failed to repeal and replace a new healthcare law, and Obamacare trends continue to put healthcare out of reach for an increasing number of people. You plan to sign an Executive Order directing the Departments of Health and Human Services, Treasury, and Labor to consider a set of potential Administrative actions providing greater competition in healthcare.

1. **BACKGROUND**

Republicans promised Americans we would repeal and replace Obamacare. Though we continue to be

AMERICAN OVERSIGHT

hopeful that Congress will repeal and replace this terrible law and we stand ready to help them achieve it, Americans cannot wait any longer. The Administration is beginning to take actions to provide relief to Americans where possible without Congress. This EO, "Promoting Healthcare Choice and Competition Across the United States," asks agencies to explore administrative actions aimed at providing relief from Obamacare.

Association Health Plans (AHPs) – Large employers often are able to access better deals on health coverage for their employees than small employers because they have a larger pool across which to spread risk and administrative costs. In addition to putting entrepreneurs and small businesses at a competitive disadvantage, it unfairly hurts workers and small firms with less access to affordable and flexible group coverage. The EO asks the Department of Labor to look at expanding the ability of AHPs to group together to self-insure or purchase health insurance to offer a more affordable health insurance option for many Americans, including hourly wage earners, farmers, truckers, and the small businesses and entrepreneurs that fuel economic growth.

Short-Term Limited Duration Plans – Short-term limited-duration plans are exempt from onerous and expensive Obamacare insurance mandates. This can make them an appealing and affordable alternative to government exchanges for many people without coverage available to them through the workplace. The Obama Administration limited these plans' availability as credible alternatives to Obamacare coverage. This EO asks HHS to consider restoring their ability to serve as meaningful alternatives for Americans.

Health Reimbursement Arrangements (HRAs) – HRAs are tax-advantaged, account-based arrangements that employers can establish to give employees greater decision-making ability over their healthcare and help reimburse out-of-pocket health expenses. The EO asks Treasury, HHS, and Labor to consider expanding the ability for employers and employees to take advantage of HRAs, to provide Americans with more options for financing their healthcare.

Kevin Jenkins, Executive Vice President & COO
Joanna Papada, Vice President External & Government Relations

Hello Keshia,

I apologize for the delay in getting back to you on a few items.

Kevin Jenkins and I will be accompanying Mr. Strickland on Friday. The Secretary met both of us during his visit to Manchester Bidwell. Kevin is the Executive Vice President & COO and I am the Vice President of External and Government Relations.

We would like to have the opportunity to learn about Secretary Acosta's priorities for the Department of Labor and for him to have a more detail understanding of the Manchester Bidwell Model for job training and job placement. We would like to highlight some of the following aspects of our work:

- components of the MBC model;
- public private partnerships that are foundational in each of our Centers;
- understanding how we differentiate ourselves from a community college or other job training

programs; how we remove barriers for the underserved, underemployed or never employed adult student in need of high skills training and a job;

- how local and State governments view our Centers as an economic/educational imperative; and
- review of MBC's past legislative work in DC

Once again, I appreciate your kind consideration and assistance.

Best,

Joanna

International President John Samuelsen

AMERICAN OVERSIGHT

Sworn in as the 10th TWU International President in May of 2017, John Samuelsen is also President of TWU Local 100 in New York, representing 40,000 members at the nation's largest public transit agency. Prior to being elevated to the office of the President, Samuelsen served as Executive Vice President since 2013.

A Brooklyn native, Samuelsen was hired by the New York City Transit Authority (NYCTA) in 1993 and was assigned to a track gang in Brooklyn, where he and his fellow union members worked under difficult and unsafe conditions. Managers ignored safety regulations, disciplined workers who spoke up, and had no respect for the workers or their union. While still in his probationary period, Samuelsen's co-workers elected him shop steward of their local union, and he fought vigorously for their rights. By winning small battles against management abuse, the local was able to slowly turn things around.

From 2001 to 2006, Samuelsen served as chair of the Track Safety Committee, and chair of the Track Division. From 2002–2005 he was Acting Vice President of the Maintenance of Way Department, representing 7,100 workers providing essential services to NYCTA in Track, Line Equipment and Signals, Power and Structure. During that time, he also served as lead negotiator for all safety-related issues during contract bargaining between Local 100 and NYCTA, and authored the Comprehensive Track Safety Bill, passed by both houses of the New York State Legislature.

He was elected President of Local 100 in December 2009 and was elected overwhelmingly in 2012 and 2015 and continues to serve in that role, taking an active public role in New York politics and advocating on behalf of all TWU members.

International Administrative Vice President Jerome Lafragola

Jerome Lafragola was elevated to International Administrative Vice President of TWU in 2017.

Lafragola began his career with the Port Authority of New York and New Jersey in 1985, working as a Crew Chief in charge of the Lincoln Tunnel Emergency Response Garage. A proud member of TWU Local 1400, Lafragola has been elected by his co-workers to various positions including shop steward, Division Vice-Chairman, Division Chairman, Recording Secretary, and Vice-President. In 2000, he was elected President of Local 1400, a position he still holds today.

As Director of the TUUS since 2013 Lafragola oversees TWU's largest unit, monitoring contract negotiations, organizing drives, and legislation affecting the members across the country. Lafragola also leads an annual conference designed to empower local officers within the division and to encourage cooperation across the entire union membership. Prior to his Directorship, Lafragola had been a TUUS staff representative since 2006.

In addition to his other duties, Lafragola has served as a TWU Vice President since 2013 and as an International Executive Board Member ("IEB") since 2005, conducting trainings for staff and Local leadership across all divisions of the union, as well as participating in annual conferences to further the mission of the TWU.

In 2015, the IAC created the International Campaign Unit—positioning TWU to lead strategic contract and political fights—and tapped Lafragola to manage these efforts, which he continues to do today under the leadership of President Samuelsen and the IAC

Lafragola is skilled in negotiations, grievance and discipline handling, and union administration.

He holds a BA in Labor Studies from the National Labor College and a MS in Human Resources and Labor Relations from the New York Institute of Technology.

We are hosting another "radio row" on October 3 (previously scheduled on October 5). It will still be held between 9 a.m.-Noon in the EEOB Indian Treaty Room. We are asking select Cabinet members and White House principals to hold at least one hour of availability to do both radio/local TV interviews with affiliate groups. If you have any questions, please let us know. We'll follow up with WAVES information as well for those who need it.

Please let our surrogate booking team (Carolina/Caroline/Alexa) know by Noon on Monday (9/25) which hour of availability your Cabinet member/principal has during that window on October 3. If there are any issues, please give us a call.

Thank you,
Ashley Gunn

Re: Freedom of Information Act Request No. # 844598

Dear Mr. Evers,

This letter responds to your Freedom of Information Act (FOIA) request of November 1, 2017, in which you requested a copy of all calendar items for the Secretary from January 20, 2017, until the time this request is started. Your request was received in our office on November 6, 2017, and assigned FOIA tracking number 844598.

A search for responsive records of the Office of the Secretary (OSEC) was conducted based on your request. Results from the search presented 5,301 documents with 5,622 pages which needed to be reviewed and redacted for disclosure purposes. Due to the size of the results, our intention is to provide a batch of documents to you each month based on the documents reviewed in the previous month until all responsive and non-exempt documents have been released. OSEC reviewed 365 documents in the previous month of January. Based on that review, please see attached pdf documents which contains:

- 16 pages are being released without redactions, and
- 349 pages which have been redacted in part under to 5 U.S.C. § 522(b)(6) which permits the withholding of personnel, medical and similar files when disclosure of such information would constitute a clearly unwarranted invasion of personal privacy.

If you have questions about this response, you may contact the Office of the Secretary (OSEC) FOIA point of contact at OSEC-FOIA@dol.gov or the DOL FOIA Public Liaison, Thomas Hicks, at 202-693-5427 or by email at hicks.thomas@dol.gov.

Sincerely,

Thomas DeBusk
Administrative Officer

Bio:
Bob Scardelletti was first elected National President of TCU at the 1991 Convention, the first leader in more than 75 years to successfully challenge an incumbent. Since then he has been returned to office by acclamation vote of delegates to the 1995, 1999, 2004, 2009 and 2014 Conventions.

A life-long railroader, Bob started as a yard clerk in Cleveland with the New York Central in 1967. After his 1971 election as Lodge 725 Local Chairman, he gained the attention of our late President Fred Kroll who named him a special assistant. Rising rapidly through the ranks of System Board 86, Bob was elected General Chairman in 1984 and unanimously returned to that post the next year. He was elected an International Vice President at the 1987 Convention.

THE WHITE HOUSE

WASHINGTON

Presidential Mandate on Computer Science Signing
September 12th, 2017
3:00 PM – 3:30 PM
Oval Office
Ivanka Trump, Reed Cordish

1. PURPOSE

The President will sign a PM with the aim to increase access to high quality science, technology, engineering and math (STEM) education, with a particular focus on computer science.

1. BACKGROUND

The administration is committed to equipping American citizens with relevant skills that will enable them to secure high-paying, stable jobs. With the digitalization of industry, employment in computing fields is projected to grow by 13% between 2014 and 2024. To prepare America's future workforce with the skills they need to leverage these opportunities, it is vital that our schools provide all students with access to high-quality STEM and computer science education. In order to ensure that students get the education they need to have access to the varied pathways to jobs in these lucrative and expanding areas, the Department of Education must work to expand access to high-quality STEM education, particularly computer science, in K-12.

Topic/Issue: Hurricane Harvey
Attire: Business
Staff: Molly, Nick
Notes/Background: See below.
POC: Ava Dejoie, (b)(6)

Ava Dejoie is executive director of the Louisiana Workforce Commission. She was appointed by Gov. John Bel Edwards in January 2016.

As executive director, Dejoie is responsible for providing the strategic vision to enhance the growth of Louisiana's economy and its workforce, by putting people to work in fulfilling, family-sustaining careers. The commission monitors employment, administers unemployment compensation and tax funds, provides training resources for employers and job-seekers and oversees worker compensation benefits. The LWC also gathers and supplies information on the labor market and occupational sectors in Louisiana.

Dejoie has more than 15 years of leadership experience in public administration and is passionate about finding solutions that make Louisiana an outstanding place in which to live, work and grow a business.

Her focus on the public policy field took root when she served as an intern in the office of U.S. Sen. John Breaux, D-La.

Dejoie joined the LWC in 2012 and most recently was statewide coordinator of its Rapid Response Team. In this role, she directed resources to workers displaced by corporate layoffs, shut-downs and other job-reduction actions. She earlier served as director of LWC special projects in the New Orleans area, including supervising the Avondale Employee Transition Center.

Dejoie's extensive background in Louisiana workforce development includes experience as a business liaison for the Louisiana Department of Education. In addition, she served as a board member of the Louisiana Community and Technical College System from 1998-2007.

Dejoie also served as vice president of the Welfare to Work Partnership, a nonpartisan, nonprofit organization in New Orleans that provides innovative workforce solutions for companies through the hiring, retention and promotion of welfare recipients and other unemployed workers. Dejoie supervised creation of the partnership's law project, and

was recognized for the accomplishment by President George W. Bush in ceremonies at the White House. While with the partnership, she also helped secure funding for a process technology laboratory at L.B. Landry High School in New Orleans.

Dejoie is a native of New Orleans and graduate of Ursuline Academy. She holds a Bachelor of Arts degree in political science and government from Loyola University of New Orleans.

Robert Cresanti serves as the President & CEO of the International Franchise Association, the world's oldest and largest organization representing the franchising industry.

Cresanti joined the IFA in April of 2014 from SAP America, Inc., where he served as vice president of Corporate Affairs & Government Relations since 2009. In his public service, he was confirmed by the U.S. Senate in 2006 as Under Secretary for Technology for the Department of Commerce, the highest ranking U.S. official charged specifically with representing and advocating for the United States high tech industry globally. He chaired multiple bilateral technology trade missions for the U.S. government in the European Union, Asia and Russia and served as co-chair for the White House PCAST, the President's Council of Advisors on Science and Technology. In his nearly decade-long service on Capitol Hill, ranging from Committee Chief of Staff in the Senate, to Legislative Counsel in the House, he handled legislation before the Banking, Judiciary, Commerce, Government Affairs and Finance Committees.

As a trade association executive, he served as vice president of Global Public Policy for the Business Software Alliance from 2001 to 2006, representing the technology industry in international negotiations and complex regulatory, legislative and commercial legal matters on a global level. He also served as senior vice president and general counsel of ITAA (now TechAmerica). Immediately prior to joining SAP, he served as the CEO of the IPXI, the Intellectual Property Exchange.

11:30am Call ends

All,

Thank you for your quick reply last night and this morning about today's call/meeting. This email supersedes the one that was

AMERICAN OVERSIGHT

sent Friday about the Sunday call/meeting.

General Kelly has asked that each Cabinet Member join a call/meeting tomorrow (SUNDAY) morning at 11:00 am with the President to discuss Hurricane Harvey updates and address any unmet needs. If your Cabinet Member is not available, General Kelly has offered that the department or agency Deputy Secretary or Chief of Staff join the call. Here is how to proceed:

1. Please let me know whether your Cabinet Member, Deputy Secretary, or Chief of Staff will be joining the call so we can compile a complete list of participants. Please state whether the participant will participate in person, by phone or VTC in your reply. If participation will be by VTC, please coordinate with the White House Situation Room prior to the call to confirm connection.

2. The Cabinet Member, Deputy Secretary or Chief of Staff should call the White House Situation Room at (b)(6) no later than 10:50 am so that all participants are connected prior to the President joining the call. Our practical recommendation is to call a bit earlier so that the call can begin on time.

3. The call with the President will begin at 11:00 am and should last approximately 30 minutes.

4. For those who are interested, you may attend the briefing in person at the White House Situation Room JFK conference room. If attending in person, please make sure that you arrive no later than 10:50 AM.

We will contact the Cabinet Members who will be asked to make a brief presentation during tomorrow's call/meeting later this afternoon. Please monitor your emails and cell phones for updates.

Thank you in advance for your timely response to this email. Please do not hesitate to contact us with any questions.

Best,
Bill

William J. McGinley
Cabinet Secretary
The White House

Time: 10:50am. CALL WH Situation Room at (b)(6)
Location:
Subject: Hurricane Harvey
Topic/Issue:

All,

General Kelly has asked that each Cabinet Member join a call with the President tomorrow (SATURDAY) morning at 11:00 am to receive an update regarding Hurricane Harvey and address any unmet needs. If your Cabinet Member is not available, General Kelly has offered that the department or agency Deputy Secretary or Chief of Staff join the call. Here is how to proceed:

1. Please let me know whether your Cabinet Member, Deputy Secretary, or Chief of Staff will be joining the call so we can compile a complete list of participants.

2. The Cabinet Member, Deputy Secretary or Chief of Staff should call the White House Situation Room at (b)(6) (b)(6) no later than 10:50 am so that all participants are connected prior to the President joining the call. Our practical recommendation is to call a bit earlier so that the call can begin on time.

3. The call with the President will begin at 11:00 am and should last approximately 30 minutes.

4. For those who are interested, you may attend the briefing in person at the White House Situation Room JFK conference room. If attending in person, please make sure that you arrive no later than 10:50 AM. The Vice President will attend the briefing in person.

THE WHITE HOUSE

WASHINGTON

PRISONER REENTRY ROUNDTABLE DISCUSSION

Thursday, September 14, 2017
1:00 p.m.–3:00 p.m.
Indian Treaty Room
Jared Kushner, Reed Cordish, Chris Liddell

1. PURPOSE

To learn best practices from the private sector on how to assist prisoners with the difficult task of reentering society, including mentoring during incarceration, vocational education, and job placement post incarceration.

1. BACKGROUND

There are over six million Americans currently incarcerated in the criminal justice system. Citizens living with a criminal record have difficulty securing vital resources such as housing, education, and employment post incarceration. This is a critical problem as it prevents former inmates from being productive members of society, as well as increasing the likelihood of reincarceration.

Throughout America there are many groups working on addressing the difficult notion of how to best assist inmates. The Office of American Innovation will bring together leaders in various fields with expertise in mentoring, training and reentry needs to start building a plan of a comprehensive prison reentry initiative.

Bio:

Cherie Killian Berry was sworn in as North Carolina's first female labor commissioner on Jan. 6, 2001, after serving eight years in the N.C. House of Representatives. Berry won re-election in 2004, 2008 and 2012. On Nov. 8, 2016, Cherie Berry won re-election to a fifth four-year term.

Berry's re-election sets a new record of being elected to five four-year terms as commissioner of labor. She is also the longest serving Republican on the Council of State.

Commissioner Berry is a native of Catawba County and currently resides in Newton. She is the former business owner of LGM Ltd., a company that produces spark plug wires for the automotive industry.

Employee safety is Commissioner Berry's top priority.

"I want to make North Carolina's work climate as safe as possible," Commissioner Berry said. "There is a world of potential for this agency and for businesses across North Carolina. I am proud of what we have accomplished and will continue to strive to improve."

Commissioner Berry also believes the department and its nearly 400 employees should provide a service-oriented approach that gives concrete benefits to employers and employees.

"We want to provide a real service to every business and every worker in the state of North Carolina," Commissioner Berry said.

In 2010, the National Association of Homebuilders and Builders Mutual Insurance Co. named Commissioner Berry first place winner of the Safety Award for Excellence in the category of Federal/State Plan OSHA Safety Program Official of the Year.

Commissioner Berry received the 2006 Holmes-McBride Memorial Award from the N.C. Association of Agricultural

AMERICAN OVERSIGHT

Fairs for her contributions to improve the agricultural fairs throughout the state. In 2005, the N.C. Manufacturer's Association awarded Commissioner Berry the Chairman's Award for her outstanding contributions and dedicated service to the business community and citizens of North Carolina.

During Commissioner Berry's first term, she was named the 2004 State Official of the Year by the National Home Builders Association. The award recognized her strong commitment to safety and health in the home building industry. In 2003 she received the "Build with the Best" Pinnacle Award from the Carolinas Associated General Contractors for her contributions to the betterment of the construction industry and to the economic welfare of North Carolina.

The N.C. Department of Labor is charged by statute with promoting the "health, safety, and general well-being" of more than 4 million workers across the state. The laws and programs it administers affect every worker—and virtually every person—in the state.

The Constitution of North Carolina provides for the election of a commissioner of labor every four years. The commissioner is head of the Department of Labor and also serves as a member of the Council of State. North Carolina law gives the commissioner broad regulatory authority and enforcement powers to carry out the department's duties for the people.

Location: Secretary's Office
Subject: CALL with South Carolina Department of Employment and Workforce Executive Director Cheryl Stanton
Topic/Issue: Hurricane Irma
Attire: Business
Staff: Molly
Notes/Background:
POC: Amy, (b)(6)

Bio:
Cheryl M. Stanton was appointed Executive Director of the S.C. Department of Employment and Workforce (DEW) by Gov. Nikki R. Haley in May 2013. She is responsible for the direction and management of the state's employment agency, which is focused on providing quality, customer-driven workforce services that promote financial stability and economic growth to individuals, businesses and communities.

Stanton is widely known as a strategic problem solver, business process improvement engineer and a leader who can implement long-term change management across complex organizations. Under Stanton's leadership, the agency has flourished by expanding the effectiveness of its workforce department and transforming its unemployment insurance (UI) division.

With the number of people working increasing by 10 percent to an all-time high of more than 2.2 million people and the unemployment rate at a record low, Stanton is attentive to the vision of identifying the workforce needs of South Carolina's growing business community and preparing individuals with the education and skills training required to meet those needs in the immediate and long-term future.

In 2013, Stanton began a realignment of the Workforce and Economic Development (WED) division to better serve customers. She spearheaded the state's first workforce Memorandum of Understanding, fostering partnerships with other agencies to identify and adopt workforce opportunities while sharing resources and assets. These partnerships include initiatives for veterans, returning citizens, individuals with disabilities, youth, and the homeless, as well as programs to enhance soft skills, address training for industry clusters and effectively match job seeker to business.

One of Stanton's most significant partnerships organized by DEW, S.C. Department of Commerce, S.C. Technical College System and the S.C. Department of Education is the S.C. Talent Pipeline project. This long-term talent development system is built on studying data and defining needs at a regional level and then implementing system change, processes and best practices that will create a pipeline of skilled labor for South Carolina businesses.

Through Stanton's leadership, DEW paid off a nearly $1 billion loan used to help pay state unemployment insurance

AMERICAN OVERSIGHT

benefits between 2008 and 2011, during the Great Recession. Early repayment of the loan ensured S.C. businesses did not pay federal unemployment insurance surcharge taxes, saving businesses more than $12.5 million. Since then Stanton has worked with the General Assembly and business community to rebuild the trust fund reserve in a measured, responsible way that does not overly burden businesses, but ensures South Carolina does not return to a borrowing status.

Today, with Stanton's guidance, individuals receive unemployment insurance benefits faster than ever before, while reducing fraud and overpayments. The UI division consistently meets and surpasses federal regulations, saving South Carolinians millions of dollars. In fact, with Stanton's strategic implementation of quality oversight and updated programs, DEW has exceeded federal requirements in every UI department and continues to adopt efficiencies for the whole division. These enhancements, combined with other revised business processes, have enabled DEW to reduce UI taxes for three consecutive years for an average cut of 30 percent across the tax tiers, putting nearly $200 million dollars back into the state's economy.

While the daily employment situation is always a top priority, South Carolina has faced challenges during Stanton's tenure that she handled with speed and finesse. In October of 2015, under her direction, DEW responded to the victims of the historic flooding, assisting those who had lost their job or workplace as a result of the storm and helping South Carolinians recover and get back to work. One year later, Hurricane Matthew devastated the state, and DEW responded with the same swift assistance to help those affected by the hurricane.

Extremely active in both business and community groups, Stanton sits on the State Workforce Development Board, the Coordinating Council for Economic Development, the Workforce Coordinating Council, the Secretaries' Innovation Group and the Board of Directors for the South Carolina Chamber of Commerce. She also chairs the National Association of State Workforce Agencies' Technology Committee and serves on the federal/state cross agency Workforce Information Technology Support Center Steering Committee. Stanton serves on the Board of Directors for Girls on the Run Columbia and the Board of Directors for the Five Points Rotary Club. Stanton is a member of the Liberty Fellowship's Class of 2017.

Prior to her appointment at DEW, Stanton worked as a labor and employment attorney in both the public and private arenas. She served in the White House under President George W. Bush as the administration's principal legal liaison to the U.S. Department of Labor, National Labor Relations Board and Equal Employment Opportunity Commission. She also worked for Supreme Court Justice Samuel Alito when he served on the United States Court of Appeals for the Third Circuit.
Stanton received her undergraduate degree from Williams College and law degree from The Law School at the University of Chicago.

Bio:
Mark Butler became Georgia's ninth Commissioner of Labor on January 10, 2011. As the first Republican to head the Georgia Department of Labor, Commissioner Butler is committed to reshaping the operations of a labor department.

Commissioner Butler's goal is to create valuable workforce solutions through strategic alliances and community relationships. The programs at the Georgia Department of Labor reflect Butler's dedication to improving the agency's relationships with employers, job seekers and Georgia's future workforce.
Commissioner Butler formed the Regional Coordinator Program in 2011 and, subsequently, the Business Service Unit in 2013. These programs serve to foster mutually beneficial relationships with Georgia's employers and economic developers. Both programs reflect Commissioner Butler's dedication to the business community and employer-driven service delivery.

In order to better serve Georgia's job seekers, Commissioner Butler created the Special Workforce Assistance Team. This team has designed a job readiness program to help unemployed and underemployed people better market themselves to employers.

In 2014, Commissioner Butler developed the Labor Department's newest program, Customized Recruitment, in order to bridge the gap between employers and job seekers. This program is currently only available to newly located businesses and streamlines the recruiting process.
Commissioner Butler understands that a prepared workforce is a key to Georgia's economic future. As such, he developed the GeorgiaBEST program. GeorgiaBEST is a high school based program that certifies students as "work ready" based on their understanding of soft skills and vital work habits. GeorgiaBEST has become so popular that the Georgia Department of Labor has recently expanded the program to include middle school students.

Prior to taking office, Commissioner Butler served eight years in the Georgia General Assembly, representing House District 18. During that time, he served as the Chairman of the House Appropriations Human Resources Sub-Committee, which oversees all operations of the budget for several of the largest state agencies.
For more than 20 years, Commissioner Butler worked with his family's small business in Carrollton. As a former

business owner he understands that people want government agencies to offer ways to help, rather than obstruct, economic growth.

Commissioner Butler, a native of Carrollton, graduated from Auburn University with a degree in Public Administration. He and his wife, Chantell, have three children: Blake, Sydney, and Katie. Commissioner Butler and his family are members of Tabernacle Baptist Church in Carrollton.

U.S. DEPARTMENT OF LABOR

OFFICE OF THE SECRETARY
WASHINGTON, D.C.
20210

Washington, DC 20005

Re: Freedom of Information Act Request No. # 844598

Dear Mr. Evers,

This letter responds to your Freedom of Information Act (FOIA) request of November 1, 2017, in which you requested a copy of all calendar items for the Secretary from January 20, 2017, until the time this request is started. Your request was received in our office on November 6, 2017, and assigned FOIA tracking number 844598.

A search for responsive records of the Office of the Secretary (OSEC) was conducted based on your request. Results from the search presented 5,301 documents with 5,622 pages which needed to be reviewed and redacted for disclosure purposes. Due to the size of the results, our intention is to provide a batch of documents to you each month based on the documents reviewed in the previous month until all responsive and non-exempt documents have been released. OSEC reviewed 370 documents in the previous month of April. Based on that review, please see attached pdf documents which contains:

- 17 pages are being released without redactions, and
- 353 pages which have been redacted in part under to 5 U.S.C. § 522(b)(6) which permits the withholding of personnel, medical and similar files when disclosure of such information would constitute a clearly unwarranted invasion of personal privacy.

If you have questions about this response, you may contact the Office of the Secretary (OSEC) FOIA point of contact at OSEC-FOIA@dol.gov or the DOL FOIA Public Liaison, Thomas Hicks, at 202-693-5427 or by email at hicks.thomas@dol.gov.

Sincerely,

Thomas DeBusk
Administrative Officer

Location: Residence
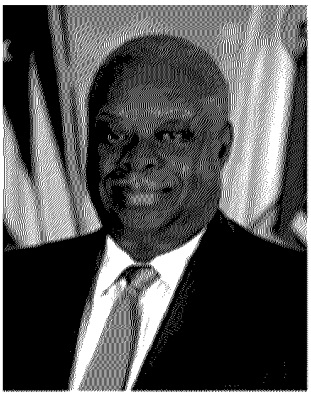
Subject: CALL with U.S. Virgin Islands Governor Kenneth Mapp
Topic/Issue: Hurricane
Attire: Business
Staff: Molly
Notes/Background: See below.
POC: Carmen Porter, Executive Assistant, (b)(6)



Kenneth E. Mapp was born in Brooklyn, New York to Alfred Mapp and Vashti Hewitt Mapp. He is one of five siblings. In 1961, he moved to St. Croix, United States Virgin Islands, where he was raised by his maternal grandmother, Almina N. Hewitt. Mapp would attend St. Croix Central High School, and graduate in 1973.

Soon after graduating from high school, Mapp was accepted for training by the New York City Police Department, later joining the department to serve in Brooklyn's 83rd precinct. He later became an officer of the Virgin Islands Police Department, members of which elected him president of the Police Benevolent Association.

Mapp's public service career continued in 1982, when he became one of seven candidates elected to serve the District of St. Croix in the 15th Legislature of the Virgin Islands. Subsequently, he was elected to serve again as Senator in the 18th and 20th Legislatures. Given his law enforcement background, Mapp won assignment as Chairman of the Committee on Public Safety and Judicial Affairs.

AMERICAN OVERSIGHT

When not serving in an elected office, Kenneth Mapp remained active in public service. He was named assistant director of the Industrial Development Commission, now the Industrial Development Authority, and served as Director of the Consumer Services Administration, now the Department of Licensing and Consumer Affairs.

By 1994, Mapp had earned the confidence of candidate for governor, Roy L. Schneider, who chose Mapp as his running mate. Their campaign was successful, and Kenneth Mapp was sworn in as Lieutenant Governor on January 2, 1995.

After a four year term in office, Mapp continued his education. He earned a master's degree in Public Administration at Harvard University's John F. Kennedy School of Government, and completed the Advanced Management Program at the Harvard School of Business. Mapp also completed other fellowships at Harvard, and at the Carnegie-Mellon University in Pittsburgh, Pa. Now prepared to take on increasingly more complex challenges, he accepted appointment by Governor Charles Turnbull to become Director of Finance and Administration for the Virgin Islands Public Finance Authority. During his tenure, the PFA secured the first ever investment grade ratings on VI government-backed securities, which provided needed capital for major public sector financing needs, and those of HOVENSA. LLC, the territory's largest private sector employer at the time. Given his expertise in finance and management, Mapp oversaw major capital projects, and provided the Governor with detailed analysis to support credible budget projections for Legislative approval.

On January 6, 2015, Kenneth E. Mapp was sworn in as the eighth elected Governor of the United States Virgin Islands. With his running mate, Osbert E. Potter, the team earned nearly 64% of the popular vote in a run-off election held on November 18, 2014. Expressing his great pride and joy to have his 95 year old mother witness his inauguration, Governor Mapp accepted the uniquely designed Symbol of Office from the President of the Legislature, as he also accepted the responsibilities of his great office.

Youth 2 Youth Overview.docx

We are very excited that Secretary Acosta has agreed to speak to 120 Job Corps Youth2Youth:Partners4Peace (Y2Y) student ambassadors on the morning of September 21st in celebration of *Job Corps 2017 Y2Y Week*. Y2Y is a student-led, anti-violence initiative, through which Job Corps students promote peace on and around their centers. Y2Y is also ingrained in concepts of leadership, empowerment, community involvement, and solution-building. The students create activities and events that bring their peers and communities together in an effort to connect, understand, inspire, and make a lasting difference.

On Thursday morning, at 10:00am, we plan to begin the presentation of the colors and pledge of allegiance. As soon as the pledge of allegiance is complete, Ms. Lenita Jacobs-Simmons, the National Director of Job Corps will introduce the Secretary to deliver his remarks, at approximately 10:10am. Broadly, we think that a good message for the Secretary to deliver to this group of students would include:

- Thank you for being a Y2Y Student Ambassador. You are doing important work as leaders of this very important peace initiative, and are positive role models at your Job Corps centers and in your communities; the Y2Y initiative is important because it empowers students to make a difference toward a more peaceful future. By being Y2Y Student Ambassadors, you are dedicating a great service to your fellow students and to the community.
- As the Secretary of Labor, the safety and security of our Job Corps centers – and all of you – all the time, is tremendously important to me. Thank you for doing your part to de-escalate situations and work with your peers to find alternative and peaceful solutions to issues that may arise.
- Maybe a bit about what his own public service means to him and why it is important?

I've attached the updated, detailed agenda, for Wednesday and Thursday following are some of the agenda highlights:

· Wednesday: The students will come to the Department of Labor, and have a full day of some pretty amazing speakers; in the evening the students will have dinner at Busboys and Poets Hyattsville, and the owner, Andy Shallal, who is also the founder of the Peace Ball, will be joining us and speaking to the students.

· Thursday: The students will tour the Newseum, where they will participate in an educational workshop, *Making a Change: The Civil Rights Movement and the First Amendment*; then, the students will be taken, by bus, to the Lincoln Memorial, where our Peace Walk, in observance of the International Day of Peace, will commence. We will walk from the Lincoln Memorial through the Mall over to the Martin Luther King Jr. Memorial.

I have attached a more detailed overview of the Y2Y Initiative. Here is a link to the 2016 Y2Y Week Report.

Hi Janelle,
I checked with Mr. Friedrich, and as he explained to the Secretary's assistant, he is a former colleague of the Secretary's, now employed as the General Counsel of Cognizant Technology Solutions, and wanted to drop by to say hello. Mr. Friedrich is grateful for whatever time the Secretary has- confirming will not discuss anything about enforcement.
Janelle,
As a follow-on, can you please advise that Mr. Friedrich does not seek to discuss any issue relating to enforcement?
Much thanks, again,
Lynn

Subject: Alex Acosta Speaking Invitations

Hi Hal,

AMERICAN OVERSIGHT

It was nice chatting with you this morning, as always. As mentioned, we would like to invite Secretary Acosta to speak at one (or both) of the below events. Here are some details about each:

The Association of Corporate Counsel (ACC) Annual Meeting, which will be held this year in Washington, D.C. from October 15-18, 2017. The ACC Annual Meeting typically has two or three thousand in-house counsel in attendance, along with a number of law firm sponsor attendees. This year, our firm is sponsoring one of several "ACC Regulator Sessions", which will include perspectives from distinguished panelists from various regulatory agencies. We are hosting the ACC Regulator Session on Employment and Labor Law on Wednesday, October 18 from 9:00-10:30 a.m. EEOC Chair Vicki Lipnic is confirmed to speak, and we may also seek a panelist from the NLRB. Topics for the panel will include recent guidance, top regulatory and enforcement priorities, and where the agencies are looking to in the future. It would be outstanding to have Secretary Acosta join the panel. I am certain the audience of in-house counsel would greatly appreciate and enjoy his perspective. The panel will be led by either you or Jim Plunkett from Ogletree

Further Information:

One note for your planning is that Governor Bevin (R-KY) and Newt Gingrich are both slated to speak at the lunch session – Governor Bevin will speak specifically on Right to Work efforts and workforce development. If the Secretary wants to "tee up" any RTW issues in his remarks, that would be well received. I also believe that the Secretary will want to touch on occupational licensing issues and have included our current and approved model policies in those areas below.

U.S. DEPARTMENT OF LABOR

OFFICE OF THE SECRETARY
WASHINGTON, D.C.
20210

June 4, 2019

Austin Evers
American Oversight
1030 15th Street, NW, Suite B255
Washington, DC 20005

Re: Freedom of Information Act Request No. # 844598

Dear Mr. Evers,

This letter responds to your Freedom of Information Act (FOIA) request of November 1, 2017, in which you requested a copy of all calendar items for the Secretary from January 20, 2017, until the time this request is started. Your request was received in our office on November 6, 2017, and assigned FOIA tracking number 844598.

A search for responsive records of the Office of the Secretary (OSEC) was conducted based on your request. Results from the search presented 5,301 documents with 5,622 pages which needed to be reviewed and redacted for disclosure purposes. Due to the size of the results, our intention is to provide a batch of documents to you each month based on the documents reviewed in the previous month until all responsive and non-exempt documents have been released. OSEC reviewed 362 documents in the previous month of April. Based on that review, please see attached pdf documents which contains:

- 9 pages are being released without redactions, and
- 353 pages which have been redacted in part under to 5 U.S.C. § 522(b)(6) which permits the withholding of personnel, medical and similar files when disclosure of such information would constitute a clearly unwarranted invasion of personal privacy.

If you have questions about this response, you may contact the Office of the Secretary (OSEC) FOIA point of contact at OSEC-FOIA@dol.gov or the DOL FOIA Public Liaison, Thomas Hicks, at 202-693-5427 or by email at hicks.thomas@dol.gov.

Sincerely,

Thomas DeBusk
Administrative Officer

AMERICAN OVERSIGHT

International President John Samuelsen

Sworn in as the 10th TWU International President in May of 2017, John Samuelsen is also President of TWU Local 100 in New York, representing 40,000 members at the nation's largest public transit agency. Prior to being elevated to the office of the President, Samuelsen served as Executive Vice President since 2013.

A Brooklyn native, Samuelsen was hired by the New York City Transit Authority (NYCTA) in 1993 and was assigned to a track gang in Brooklyn, where he and his fellow union members worked under difficult and unsafe conditions. Managers ignored safety regulations, disciplined workers who spoke up, and had no respect for the workers or their union. While still in his probationary period, Samuelsen's co-workers elected him shop steward of their local union, and he fought vigorously for their rights. By winning small battles against management abuse, the local was able to slowly turn things around.

From 2001 to 2006, Samuelsen served as chair of the Track Safety Committee, and chair of the Track Division. From 2002–2005 he was Acting Vice President of the Maintenance of Way Department, representing 7,100 workers providing essential services to NYCTA in Track, Line Equipment and Signals, Power and Structure. During that time, he also served as lead negotiator for all safety-related issues during contract bargaining between Local 100 and NYCTA, and authored the Comprehensive Track Safety Bill, passed by both houses of the New York State Legislature.

He was elected President of Local 100 in December 2009 and was elected overwhelmingly in 2012 and 2015 and continues to serve in that role, taking an active public role in New York politics and advocating on behalf of all TWU members.

International Administrative Vice President Jerome Lafragola

Jerome Lafragola was elevated to International Administrative Vice President of TWU in 2017.

Lafragola began his career with the Port Authority of New York and New Jersey in 1985, working as a Crew Chief in charge of the Lincoln Tunnel Emergency Response Garage. A proud member of TWU Local 1400, Lafragola has been elected by his co-workers to various positions including shop steward, Division Vice-Chairman, Division Chairman, Recording Secretary, and Vice-President. In 2000, he was elected President of Local 1400, a position he still holds today.

As Director of the TUUS since 2013 Lafragola oversees TWU's largest unit, monitoring contract negotiations, organizing drives, and legislation affecting the members across the country. Lafragola also leads an annual conference designed to empower local officers within the division and to encourage cooperation across the entire union membership. Prior to his Directorship, Lafragola had been a TUUS staff representative since 2006.

In addition to his other duties, Lafragola has served as a TWU Vice President since 2013 and as an International Executive Board Member ("IEB") since 2005, conducting trainings for staff and Local leadership across all divisions of the union, as well as participating in annual conferences to further the mission of the TWU.

In 2015, the IAC created the International Campaign Unit—positioning TWU to lead strategic contract and political fights—and tapped Lafragola to manage these efforts, which he continues to do today under the leadership of President Samuelsen and the IAC

Lafragola is skilled in negotiations, grievance and discipline handling, and union administration.

He holds a BA in Labor Studies from the National Labor College and a MS in Human Resources and Labor Relations from the New York Institute of Technology.

Bill Strickland, CEO of Manchester Bidwell Corporation
Kevin Jenkins, Executive Vice President & COO
Joanna Papada, Vice President External & Government Relations

Hello Keshia,

I apologize for the delay in getting back to you on a few items.

Kevin Jenkins and I will be accompanying Mr. Strickland on Friday. The Secretary met both of us during his visit to Manchester Bidwell. Kevin is the Executive Vice President & COO and I am the Vice President of External and Government Relations.

We would like to have the opportunity to learn about Secretary Acosta's priorities for the Department of Labor and for him to have a more detail understanding of the Manchester Bidwell Model for job training and job placement. We would like to highlight some of the following aspects of our work:

- components of the MBC model;
- public private partnerships that are foundational in each of our Centers;

AMERICAN OVERSIGHT

- understanding how we differentiate ourselves from a community college or other job training programs; how we remove barriers for the underserved, underemployed or never employed adult student in need of high skills training and a job;
- how local and State governments view our Centers as an economic/educational imperative; and
- review of MBC's past legislative work in DC

Once again, I appreciate your kind consideration and assistance.

Best,

Joanna

Subject: Alex Acosta Speaking Invitations

Hi Hal,

AMERICAN OVERSIGHT

It was nice chatting with you this morning, as always. As mentioned, we would like to invite Secretary Acosta to speak at one (or both) of the below events. Here are some details about each:

The Association of Corporate Counsel (ACC) Annual Meeting, which will be held this year in Washington, D.C. from October 15-18, 2017. The ACC Annual Meeting typically has two or three thousand in-house counsel in attendance, along with a number of law firm sponsor attendees. This year, our firm is sponsoring one of several "ACC Regulator Sessions", which will include perspectives from distinguished panelists from various regulatory agencies. We are hosting the ACC Regulator Session on Employment and Labor Law on Wednesday, October 18 from 9:00-10:30 a.m. EEOC Chair Vicki Lipnic is confirmed to speak, and we may also seek a panelist from the NLRB. Topics for the panel will include recent guidance, top regulatory and enforcement priorities, and where the agencies are looking to in the future. It would be outstanding to have Secretary Acosta join the panel. I am certain the audience of in-house counsel would greatly appreciate and enjoy his perspective. The panel will be led by either you or Jim Plunkett from Ogletree

AMERICAN OVERSIGHT

U.S. DEPARTMENT OF LABOR

OFFICE OF THE SECRETARY
WASHINGTON, D.C.
20210

June 28, 2019

Austin Evers
American Oversight
1030 15th Street, NW, Suite B255
Washington, DC 20005
foia@americanoversight.org

Re: Freedom of Information Act Request No. # 844598

Dear Mr. Evers,

This letter responds to your Freedom of Information Act (FOIA) request of November 1, 2017, in which you requested a copy of all calendar items for the Secretary from January 20, 2017, until the time this request is started. Your request was received in our office on November 6, 2017, and assigned FOIA tracking number 844598.

A search for responsive records of the Office of the Secretary (OSEC) was conducted based on your request. Results from the search presented 5,301 documents with 5,622 pages which needed to be reviewed and redacted for disclosure purposes. Due to the size of the results, our intention is to provide a batch of documents to you each month based on the documents reviewed in the previous month until all responsive and non-exempt documents have been released. OSEC reviewed 366 documents in the previous month of May. Based on that review, please see attached pdf documents which contains:

- 16 pages are being released without redactions, and
- 350 pages which have been redacted in part under to 5 U.S.C. § 522(b)(6) which permits the withholding of personnel, medical and similar files when disclosure of such information would constitute a clearly unwarranted invasion of personal privacy.

If you have questions about this response, you may contact the Office of the Secretary (OSEC) FOIA point of contact at OSEC-FOIA@dol.gov or the DOL FOIA Public Liaison, Thomas Hicks, at 202-693-5427 or by email at hicks.thomas@dol.gov.

Sincerely,

Thomas DeBusk
Administrative Officer

Good Morning,
By now everyone should have received the Cabinet Member and spouse invite to the 12/5 Congressional Ball.
Attached is the a digital copy and the link to RSVP (b)(6)
Your Cabinet Member and spouse should arrive at 5pm to the West Exec entrance, the entrance that they always use. (Please disregard the East Entrance on the invite below.) Cabinet Affairs will run spouse waves as well as be on hand to greet and escort all to the Ball. Congressional Ball attire is black tie.
At the Cabinet meeting on Monday (and COS meeting Tuesday) we will also distribute the additional Holiday Party invitations to the Cabinet for the party that they chose to attend, either the 11th or the 14th. The RSVP information to that party will be included on that invitation. Cabinet Affairs will again run the spouse vitals and please always enter and exit via West Exec. The Holiday Party attire for the 12/11 and 12/14 events is business cocktail.
Do not hesitate to call with any questions.
Thank you,
Ashley

The public meeting will be from 11 am – 1 pm at EEOB Room 350.

10/16/17
Good morning Emily,

Governor Christie and his fellow Commissioners are pleased to hear that Secretary Acosta will be joining us on 10/20.

There is not an agenda for the meeting quite yet however I can tell you that the focus will be private insurance coverage issues related to the opioid crisis. There will be 8 to 10 private insurers as well their trade group AHIP who

AMERICAN OVERSIGHT

will each be testifying. I have attached the preliminary confirmed witnesses for your office's review.

If Secretary Acosta is willing to, Governor Christie would like him to speak for approximately 5 minutes or so to discuss DOL's efforts with insurance companies responding to the crisis. We have Secretary Acosta scheduled to speak following Governor Christie's opening remarks.

I will forward along a formal agenda once it is prepared. If you have any other questions, please do not hesitate to reach out to me directly.

Thank you,

David

Bio:

Professor Klaus Schwab was born in Ravensburg, Germany in 1938. He is Founder and Executive Chairman of the World Economic Forum, the International Organization for Public-Private Cooperation.

He founded the Forum in 1971, the same year in which he published *Moderne Unternehmensführung im Maschinenbau* (*Modern Enterprise Management in Mechanical Engineering*). In that book, he argued that the management of a modern enterprise must serve not only shareholders but all stakeholders (*die Interessenten*), to achieve long-term growth and prosperity. Schwab has championed the multistakeholder concept since the Forum's inception, and it has become the world's foremost platform for public and private cooperation. Under his leadership, the Forum has been a driver for reconciliation efforts in different parts of the world, acting as a catalyst of numerous collaborations and international initiatives. (See the history page for more information).

In 1998, with his wife Hilde, he created the Schwab Foundation for Social Entrepreneurship, which seeks to identify, recognize and disseminate initiatives in social entrepreneurship that have significantly improved people's lives and have the potential to be replicated on a global scale. The Foundation supports a network of over 350 social entrepreneurs around the world.

In 2004, with the financial contribution received as part of the Dan David Prize, he established a new foundation: the Forum of Young Global Leaders (for leaders under 40). Seven years later, in 2011, he created the Global Shapers Community (for potential leaders between the ages of 20 and 30). The purpose of the two foundations is to integrate young people as a strong voice for the future into global decision-making processes and to encourage their engagement in concrete projects that address social problems.

Schwab has encouraged the establishment of communities providing global expertise and knowledge for problem-

solving. Among them is the Network of Global Agenda Councils, comprising more than 1,500 of the most relevant experts related to global, regional and industry challenges.

The Forum employs over 600 people, with its headquarters in Geneva, Switzerland, and additional offices in New York, Beijing and Tokyo.

An engineer and economist by training, Professor Klaus Schwab holds doctorates in Economics (*summa cum laude*) from the University of Fribourg, in Engineering from the Swiss Federal Institute of Technology, and a Masters of Public Administration from the Kennedy School of Government at Harvard University. In 1972 he became one of the youngest professors on the faculty of the University of Geneva. He has received numerous international and national honours.

Outside his work, he has a broad range of academic, cultural and public service interests. He is a regular swimmer, mountain walker and an enthusiastic participant in the Engadin Ski Marathon. Klaus and Hilde married in 1971. They have two children and two grandchildren.

1. **PURPOSE**

To sign an Executive Order and give brief remarks about providing Americans relief from Obamacare. Congress has failed to repeal and replace a new healthcare law, and Obamacare trends continue to put healthcare out of reach for an increasing number of people. You plan to sign an Executive Order directing the Departments of Health and Human Services, Treasury, and Labor to consider a set of potential Administrative actions providing greater competition in healthcare.

AMERICAN OVERSIGHT

1. **BACKGROUND**

Republicans promised Americans we would repeal and replace Obamacare. Though we continue to be hopeful that Congress will repeal and replace this terrible law and we stand ready to help them achieve it, Americans cannot wait any longer. The Administration is beginning to take actions to provide relief to Americans where possible without Congress. This EO, "Promoting Healthcare Choice and Competition Across the United States," asks agencies to explore administrative actions aimed at providing relief from Obamacare.

Association Health Plans (AHPs) – Large employers often are able to access better deals on health coverage for their employees than small employers because they have a larger pool across which to spread risk and administrative costs. In addition to putting entrepreneurs and small businesses at a competitive disadvantage, it unfairly hurts workers and small firms with less access to affordable and flexible group coverage. The EO asks the Department of Labor to look at expanding the ability of AHPs to group together to self-insure or purchase health insurance to offer a more affordable health insurance option for many Americans, including hourly wage earners, farmers, truckers, and the small businesses and entrepreneurs that fuel economic growth.

Short-Term Limited Duration Plans – Short-term limited-duration plans are exempt from onerous and expensive Obamacare insurance mandates. This can make them an appealing and affordable alternative to government exchanges for many people without coverage available to them through the workplace. The Obama Administration limited these plans' availability as credible alternatives to Obamacare coverage. This EO asks HHS to consider restoring their ability to serve as meaningful alternatives for Americans.

Health Reimbursement Arrangements (HRAs) – HRAs are tax-advantaged, account-based arrangements that employers can establish to give employees greater decision-making ability over their healthcare and help reimburse out-of-pocket health expenses. The EO asks Treasury, HHS, and Labor to consider expanding the ability for employers and employees to take advantage of HRAs, to provide Americans with more options for financing their healthcare.

We are hosting another "radio row" on October 3 (previously scheduled on October 5). It will still be held between 9 a.m.-Noon in the EEOB Indian Treaty Room. We are asking select Cabinet members and White House principals to hold at least one hour of availability to do both radio/local TV interviews with affiliate groups. If you have any questions, please let us know. We'll follow up with WAVES information as well for those who need it.

Please let our surrogate booking team (Carolina/Caroline/Alexa) know by Noon on Monday (9/25) which hour of availability your Cabinet member/principal has during that window on October 3. If there are any issues, please give us a call.

Thank you,
Ashley Gunn

THE WHITE HOUSE

WASHINGTON

Presidential Mandate on Computer Science Signing
September 12th, 2017
3:00 PM – 3:30 PM
Oval Office
Ivanka Trump, Reed Cordish

1. PURPOSE

The President will sign a PM with the aim to increase access to high quality science, technology, engineering and math (STEM) education, with a particular focus on computer science.

1. BACKGROUND

The administration is committed to equipping American citizens with relevant skills that will enable them to secure high-paying, stable jobs. With the digitalization of industry, employment in computing fields is projected to grow by 13% between 2014 and 2024. To prepare America's future workforce with the skills they need to leverage these opportunities, it is vital that our schools provide all students with access to high-quality STEM and computer science education. In order to ensure that students get the education they need to have access to the varied pathways to jobs in these lucrative and expanding areas, the Department of Education must work to expand access to high-quality STEM education, particularly computer science, in

Youth 2 Youth Overview.docx

Line by Line:
10:00am- Colors presentation and pledge of allegiance
10:05am- Lenita introduce Secretary Acosta
10:10am- RAA speak and welcome students
10:15am – RAA depart

We are very excited that Secretary Acosta has agreed to speak to 120 Job Corps Youth2Youth:Partners4Peace (Y2Y) student ambassadors on the morning of September 21st in celebration of *Job Corps 2017 Y2Y Week*. Y2Y is a student-led, anti-violence initiative, through which Job Corps students promote peace on and around their centers. Y2Y is also ingrained in concepts of leadership, empowerment, community involvement, and solution-building. The students create activities and events that bring their peers and communities together in an effort to connect, understand, inspire, and make a lasting difference.

On Thursday morning, at 10:00am, we plan to begin the presentation of the colors and pledge of allegiance. As soon as the pledge of allegiance is complete, Ms. Lenita Jacobs-Simmons, the National Director of Job Corps will introduce the Secretary to deliver his remarks, at approximately 10:10am. Broadly, we think that a good message for the Secretary to deliver to this group of students would include:

- Thank you for being a Y2Y Student Ambassador. You are doing important work as leaders of this very important peace initiative, and are positive role models at your Job Corps centers and in your communities; the Y2Y initiative is important because it empowers students to make a difference toward a more peaceful future. By being Y2Y Student Ambassadors, you are dedicating a great service to your fellow students and to the community.
- As the Secretary of Labor, the safety and security of our Job Corps centers – and all of you – all the time, is tremendously important to me. Thank you for doing your part to de-escalate situations and work with your peers to find alternative

AMERICAN OVERSIGHT

and peaceful solutions to issues that may arise.
- Maybe a bit about what his own public service means to him and why it is important?

I've attached the updated, detailed agenda, for Wednesday and Thursday following are some of the agenda highlights:
· Wednesday: The students will come to the Department of Labor, and have a full day of some pretty amazing speakers; in the evening the students will have dinner at Busboys and Poets Hyattsville, and the owner, Andy Shallal, who is also the founder of the Peace Ball, will be joining us and speaking to the students.
· Thursday: The students will tour the Newseum, where they will participate in an educational workshop, *Making a Change: The Civil Rights Movement and the First Amendment*; then, the students will be taken, by bus, to the Lincoln Memorial, where our Peace Walk, in observance of the International Day of Peace, will commence. We will walk from the Lincoln Memorial through the Mall over to the Martin Luther King Jr. Memorial.

I have attached a more detailed overview of the Y2Y Initiative. Here is a link to the 2016 Y2Y Week Report.

Time: 11:20am- 11:45am
Location: Secretary's Office
Subject: Meeting with Professor Schwab
Topic/Issue: Introductory meeting to discuss U.S. government engagement and collaboration with the Forum; specifically on the Forum's work on the Fourth Industrial Revolution.
Attire: Business
Staff: Paul/ Nick/ Pedro
Notes/Background:
POC: Miriam Schive, (b)(6)
Attendees: Paul Smyke, Katrin Eggenberger, Professor Schwab

Professor Klaus Schwab was born in Ravensburg, Germany in 1938. He is Founder and Executive Chairman of the World Economic Forum, the International Organization for Public-Private Cooperation.

He founded the Forum in 1971, the same year in which he published *Moderne Unternehmensführung im Maschinenbau* (*Modern Enterprise Management in Mechanical Engineering*). In that book, he argued that the management of a modern enterprise must serve not only shareholders but all stakeholders (*die Interessenten*), to achieve long-term growth and prosperity. Schwab has championed the multistakeholder concept since the Forum's

AMERICAN OVERSIGHT

inception, and it has become the world's foremost platform for public and private cooperation. Under his leadership, the Forum has been a driver for reconciliation efforts in different parts of the world, acting as a catalyst of numerous collaborations and international initiatives. (See the history page for more information).

In 1998, with his wife Hilde, he created the Schwab Foundation for Social Entrepreneurship, which seeks to identify, recognize and disseminate initiatives in social entrepreneurship that have significantly improved people's lives and have the potential to be replicated on a global scale. The Foundation supports a network of over 350 social entrepreneurs around the world.

In 2004, with the financial contribution received as part of the Dan David Prize, he established a new foundation: the Forum of Young Global Leaders (for leaders under 40). Seven years later, in 2011, he created the Global Shapers Community (for potential leaders between the ages of 20 and 30). The purpose of the two foundations is to integrate young people as a strong voice for the future into global decision-making processes and to encourage their engagement in concrete projects that address social problems.

Schwab has encouraged the establishment of communities providing global expertise and knowledge for problem-solving. Among them is the Network of Global Agenda Councils, comprising more than 1,500 of the most relevant experts related to global, regional and industry challenges.

The Forum employs over 600 people, with its headquarters in Geneva, Switzerland, and additional offices in New York, Beijing and Tokyo.

An engineer and economist by training, Professor Klaus Schwab holds doctorates in Economics (*summa cum laude*) from the University of Fribourg, in Engineering from the Swiss Federal Institute of Technology, and a Masters of Public Administration from the Kennedy School of Government at Harvard University. In 1972 he became one of the youngest professors on the faculty of the University of Geneva. He has received numerous international and national honours.

Outside his work, he has a broad range of academic, cultural and public service interests. He is a regular swimmer, mountain walker and an enthusiastic participant in the Engadin Ski Marathon. Klaus and Hilde married in 1971. They have two children and two grandchildren.

U.S. DEPARTMENT OF LABOR

OFFICE OF THE SECRETARY
WASHINGTON, D.C.
20210

September 11, 2019

Austin Evers
American Oversight
1030 15th Street, NW, Suite B255
Washington, DC 20005

Re: Freedom of Information Act Request No. # 844598

Dear Mr. Evers,

This letter responds to your Freedom of Information Act (FOIA) request of November 1, 2017, in which you requested a copy of all calendar items for the Secretary from January 20, 2017, until the time this request is started. Your request was received in our office on November 6, 2017, and assigned FOIA tracking number 844598.

A search for responsive records of the Office of the Secretary (OSEC) was conducted based on your request. Results from the search presented 5,301 documents with 5,622 pages which needed to be reviewed and redacted for disclosure purposes. Due to the size of the results, our intention is to provide a batch of documents to you each month based on the documents reviewed in the previous month until all responsive and non-exempt documents have been released. OSEC reviewed 363 documents in the previous month of July. Based on that review, please see attached pdf documents which contains:

- 11 pages are being released without redactions, and
- 352 pages which have been redacted in part under to 5 U.S.C. § 522(b)(6) which permits the withholding of personnel, medical and similar files when disclosure of such information would constitute a clearly unwarranted invasion of personal privacy.

If you have questions about this response, you may contact the Office of the Secretary (OSEC) FOIA point of contact at OSEC-FOIA@dol.gov or the DOL FOIA Public Liaison, Thomas Hicks, at 202-693-5427 or by email at hicks.thomas@dol.gov.

Sincerely,

Thomas DeBusk
Administrative Officer

THE WHITE HOUSE

WASHINGTON

PRISONER REENTRY ROUNDTABLE DISCUSSION

Thursday, September 14, 2017
1:00 p.m.–3:00 p.m.
Indian Treaty Room
Jared Kushner, Reed Cordish, Chris Liddell

1. PURPOSE

To learn best practices from the private sector on how to assist prisoners with the difficult task of reentering society, including mentoring during incarceration, vocational education, and job placement post incarceration.

1. BACKGROUND

There are over six million Americans currently incarcerated in the criminal justice system. Citizens living with a criminal record have difficulty securing vital resources such as housing, education, and employment post incarceration. This is a critical problem as it prevents former inmates from being productive members of society, as well as increasing the likelihood of reincarceration.

Throughout America there are many groups working on addressing the difficult notion of how to best assist inmates. The Office of American Innovation will bring together leaders in various fields with expertise in mentoring, training and reentry needs to start building a plan of a comprehensive prison reentry initiative.

Youth Employment Announcement Event Overview

Creating Career Pathways for Youth Through Hotel Jobs & Opportunities

EVENT OVERVIEW

The American Hotel & Lodging Association (AHLA) and the American Hotel & Lodging Educational Foundation (AHLEF) are committed to fostering the growth of America's youth through careers in hospitality. Youth both currently in school and out of school can find career success in the lodging industry pursuing various pathways.

We are partnering with Grads of Life to host a national youth employment announcement on October 30 at 10 AM to unveil a commitment to provide $300,000 in grants to community-based organizations to recruit "Opportunity Youth" in high-demand markets, including Los Angeles, Chicago, Baltimore and Washington, D.C. Currently, six million young people are between the ages of 16 to 24-years-old, and out of school and out of work. Yet they possess the drive and resilience to succeed in the workplace. The hospitality industry has some 600,000 job openings and the grant commitment will help the hotel and lodging industry fill its critical labor shortage in the long-term by joining with community-based organizations to attract youth for careers in

AMERICAN OVERSIGHT

the hospitality industry.

Event Format:

The event will feature a formal speaking presentation from AHLA President and Chief Executive Officer Katherine Lugar, Elyse Rosenblum, Principal at Grads of Life, a personal story from an opportunity youth currently working in the industry, potentially a chief executive from a hotel chain and will be keynoted by the Labor Secretary. The formal presentation will end after roughly 30 minutes and will include brief Q&A from the audience.

Following the formal program, Secretary Acosta will join the hotel staff for a brief tour of the hotel.

Location:

The event will take place a local hotel near Capitol Hill. Exact location TBD.

Ideally, the room will feature a small riser in the front of the room where speakers will be able to speak behind a formal podium for the official remarks. During the question and answer portion, speakers pass a handheld microphone to address inquiries.

Attendees:

The audience will be comprised of a handful of Opportunity Youth who have been through the AHLA certification program and have stories to share and hotel industry executives and employees.

Media:

The event will be open to press. AHLA, AHLEF, Grads of Life and DOL will issue media advisories in advance of the event, as well as press releases following it with quotes from the speakers and pictures from the event. Additionally, we would pitch a joint op-ed signed by Secretary Acosta and Katherine Lugar to a national publication to coincide with the event.

Logistics:

- Date: October 30, 2017
- Time: 10 AM EST
- Location: Hotel TBD

That is fine. Saving the American taxpayers nearly a 1/3 of the cost is a good thing.

Subject: A cost saving with 1st Class at end of Italy trip

Hi,
In one of these occasional odd quirks that happen with airfares, we have a situation with the Italy trip where, if at time of ticketing, I re-book the final JFK – DCA flight, (b)(6) in Business/First Class instead of coach, it will actually save $500.00 per person. The airfare for the Turin – JFK – DCA return flights drops from $1590.06 at present to $1093.56 per passenger. The airfare is still coded as a coach fare but the final flight, JFK – DCA will be booked and seated in 1st Class.
Knowing how booking 1st Class is somewhat taboo I wanted to check with you if this is something that would be permissible and you would want.
Thanks,
Brandon

Time: 10:50am. CALL WH Situation Room at (b)(6)
Location:
Subject: Hurricane Harvey
Topic/Issue:

All,

General Kelly has asked that each Cabinet Member join a call with the President tomorrow (SATURDAY) morning at 11:00 am to receive an update regarding Hurricane Harvey and address any unmet needs. If your Cabinet Member is not available, General Kelly has offered that the department or agency Deputy Secretary or Chief of Staff join the call. Here is how to proceed:

1. Please let me know whether your Cabinet Member, Deputy Secretary, or Chief of Staff will be joining the call so we can compile a complete list of participants.

2. The Cabinet Member, Deputy Secretary or Chief of Staff should call the White House Situation Room at (b)(6) (b)(6) no later than 10:50 am so that all participants are connected prior to the President joining the call. Our practical recommendation is to call a bit earlier so that the call can begin on time.

3. The call with the President will begin at 11:00 am and should last approximately 30 minutes.

4. For those who are interested, you may attend the briefing in person at the White House Situation Room JFK conference room. If attending in person, please make sure that you arrive no later than 10:50 AM. The Vice President will attend the briefing in person.

Brian and Bill,
Let's caucus on Monday at 11:30 in your office on the event planning.

Perhaps Secretary Acosta can have one of his staff phone in or come over. At this point, the event looks like a go and we need to come up with guest list. Secretary Acosta has some particular insight on this as does Bill who knows the Jersey side of things.

See you on Monday. Sec Acosta: Let us know if you need a phone-in line.

The Ronald Reagan Presidential Library and Museum opened its doors on November 4, 1991. At the opening, it was the first time in history that five U.S. Presidents gathered together (it has happened since). The Reagan Library expanded in October 2005 when it opened the Air Force One Pavilion, which houses Air Force One 27000, a Marine One Helicopter, and part of a presidential motorcade. The galleries were wholly renovated in 2011 in honor of the Centennial Celebration surrounding the 100th anniversary of President Reagan's birth on February 6.

All of the galleries were designed to bring history to life. Visitors may tour through Air Force One and Marine One, touch an authentic piece of the Berlin Wall, explore the White House Oval Office, lay a hand on a real steel beam recovered from the World Trade Center after 9-11, stroll through a replica of the White House Rose Garden and pay their respects at President and Mrs. Reagan's Memorial Site.
